Get to know Me:

Hello everyone! My name is Lindsey Swartwood and I'm the new Life Enrichment Coordinator for the Adult Day Center. I've worked for Three Links for over 6 years in the Care Center. In one of my positions at the Care Center I was very involved with the activities and party planning. I'm looking forward to joining the Adult Day team and working with you all.

I grew up in Northfield and graduated from Northfield High School. I went to college in Rochester, MN and lived there for about 8 years.

Currently I live in Dundas with my husband, Luke. We're a blended family...we have three kids together; Alli (13), Shane (10) and Quillen (9).

My Hobbies: Huge MN Vikings fan, reading, love listening to music, spending time outside- especially taking long walks and spending time with my family.

What's in store: I love to do fun themed parties. We'll play new games; travel the world and I look forward to using resources from the Care Center.

Please feel free in sending your thoughts, feedback and ideas!
