

Adult Day Newsletter for August 2020

A note from Adult Day Staff...

We can't believe it's almost August, where has the time gone?! It's been a long time since we've seen most of you, we hope you're all doing well and staying healthy! We miss you all very much!

Adult Day continues to be closed at this time. The management team is working hard on finding ways to get Adult Day Services open again. We will keep you informed as to when we can reopen Adult Day.

Since COVID-19 hit, most destinations around the world have created virtual tours/visits to be viewed online. Simply google virtual tours of any location/museum/zoo/theater and many more, click the website which will bring you to their website. There is so much cool stuff to see and learn.

To pass the time try some of these ideas at home...
