RE: COVID-19 Case Notification / Current Positive Cases at The Villages of Lonsdale: 3 employees

Dear Residents, Family, Friends and Employees of The Villages of Lonsdale,

Our priority as COVID-19 continues to spread in Minnesota is to keep everyone who lives and works at Three Links locations safe, healthy and informed.

**COVID-19 Positive Cases**

Unfortunately, we learned today of three Villages of Lonsdale employees that tested positive for COVID-19.

**Precautionary Measures**

- We are working with a case manager at the Minnesota Department of Health (MDH) and continue to follow the core principles for the prevention of the spread COVID-19.
- All residents and staff will be tested again for COVID-19.
- Per MDH guidance, indoor visits within the Villages of Lonsdale will be suspended at this time, except for compassionate exception visits.
- Contact tracing and subsequent isolation protocols are ongoing.

Thank you for your patience as we continue to adapt to the changing situations that this pandemic presents. We will continue to be transparent regarding any updates or changes. Please see [threelinks.org](http://threelinks.org) for the latest family communications regarding COVID-19 or call The Village of Lonsdale at 507-744-3450.

Sincerely,

A handwritten signature in cursive script that reads "Mark Anderson".

Mark Anderson, Chief Executive Officer – Three Links
